**CONSTRUCTION UPDATE**

### Washington Park Reservoir Improvements Project

The Portland Water Bureau has launched an eight-year project to update the Washington Park reservoir site. The project complies with federal and state mandates, seismically strengthens key water infrastructure on Portland's west side, and helps ensure a healthy, resilient, and secure water system.

**EXPECT MAJOR TRAFFIC IMPACTS THROUGH MARCH 2018.**

**ROAD CLOSURES**  
SW Sacajawea Blvd. and SW Sherwood Blvd. are closed to all vehicles, pedestrians, and cyclists.

**PARKING**  
All parking is closed on SW Lewis Clark Way, SW Sacajawea Blvd., and SW Sherwood Blvd.

**TRAFFIC FLOW**  
The flow of traffic is reversed on SW Lewis Clark Way. One-way traffic will travel east on SW Lewis Clark Way and exit the park on SW Park Place.

**TRIMET BUS SERVICE**  
Bus Line 63 - Washington Park/Arlington Heights will be detoured.
